

PRAYER ROOM WARRIORS 2009

Dear Prayer Room Warriors,

First I'd like to thank you for your service throughout this past year. Your faithfulness has been a blessing to many in our congregation, especially in their time of need. I know that your presence in the prayer room continues to make a significant difference in our church. Rev. Brad Scott and others participating in the morning services have come to rely on the power of prayer.

While I have built next year's schedule based on our warriors from last year plus a few folks that have asked me to add their names I do not want to miss someone who might be interested. As you know this time in the prayer room is very special, most consider it a wonderful time to spend with the Lord. If anyone has asked you if they could be part of the prayer room team, please let me know.

Please remember to be in the Prayer Room **by 8:30 AM** for the first service and **again by 10:30 AM** for the second service. **If you cannot serve in the prayer room on your assigned date please get a substitute or switch with someone else.** Also please let Kathy Ferguson know at 753-3942 so the reminder postcard will be sent to the correct person and the correct name printed in the church bulletin. **If you have to get a substitute on very short notice please remind them of the times to be in the prayer room for both services.** Please welcome Peggy Rice & Tony Smith to our Prayer Room Warrior Team

Other Prayer room warriors are very good about switching places with you should you have to get a substitute just give them a call.

I want to thank you again for taking the responsibility of this important service to our church. Linda
