2015 Holston Annual Conference

The 2015 Holston Annual Conference is history. We were inspired and challenged to engage our neighbors and our communities by seeing them and getting to know them so that we may serve them in the name and Spirit of Jesus Christ. Here are some highlights.

2015 Holston Annual Conference (continued)

Worship, Bible study and music: astounding, amazing, inspiring, moving, over-the-top.

Reports from across the Conference reminded us over and over again that the opportunities to invite and serve our neighbors are plentiful and that we, through God's churches in this part of God's world, are up to the task. The stories shared were marvelous examples of how God is at work in our midst. They were truly hallelujah moments!

Resolutions:

- Supported forming a task force to recommend policy and a plan to address clergy abuse by laypersons.
- Tabled indefinitely a petition to General Conference to revise *Book of Discipline* language regarding homosexuality.
- Agreed that planning for all conference and district events should address and publicize child care for participants.
- Did not support reducing the conference apportionment tithe from 10% to 7.5%.

Vacation Bible School

VBS was awesome this year! We averaged 50 children each night. The largest group was in age 3-6, with one night having 22 kids! It was fantastic to see so many children singing, smiling and jumping for Jesus!

A big "thank you" goes out to all the helpers - it takes a lot of loving workers to have a successful VBS program. We are very blessed to have so many dedicated individuals at Jonesborough United Methodist Church!!! The youth were great - lots of helpers each night!

Planning for 2016 is already in the works. Get ready to sign up - you'll enjoy the week. Please keep our growing children's program in your prayers.

*Love,
Jackie & Angie*

July Mission Emphasis

Backpacks for Jonesborough Elementary School Kindergartners

Our mission for July is to fill backpacks for 100 to 120 kindergarten students at Jonesborough Elementary School. We also would like to provide necessary teaching supplies for their teachers, as well. Approximately 66% of these students also will receive free or reduced price lunches.

Please help get the school year off to a good start for these children by filling a backpack or making a donation so that the needed supplies can be purchased. Supply lists are available in the narthex. Mark your offering envelope "K backpacks" or put that phrase in the memo line on your check.

Thank you for helping Jonesborough's kids!
