## **YOUTH MISSION TRIP TO EDISTO, SC**

Once again, it is time to pack our bags and head to Edisto, South Carolina for the annual Mission Trip.

The youth and adults will depart on June 6th, and will be staying at Edisto Presbyterian Church. The room will be divided and air mattresses will be going up. There is so much laughter and fun!

Our construction team is led by Captain Billy Joe Russell. Over the years, he has taught youth and adults alike to work on roofs, hang sheet rock, paint, lay flooring, as well as how to use the tools necessary to get the jobs done. Sometimes our days start on site by 8 am, but often we have gone earlier to beat the heat on roofing jobs.

At night, we have some free time for games, singing and devotions led by the youth. I am blessed when they lead us. Prayer time is always big — no request is too big or too small.

As a church, you can be extremely proud of your youth as they venture out and become the hands and feet of Jesus. As always, we ask for your prayers as we go this year.

Thank you for all the love and support you give. We'll see you when we return on June 13th!

*Mary Ann Clark*

In late May each year, the ritual of annual conference meetings throughout the United Methodist connection in the U.S. begins and continues through early July. An equal number of clergy and lay members from the churches and districts in each conference gather to celebrate local, conference, and worldwide ministries; celebrate retirements; ordain new clergy and lay professionals; adopt ministry plans and budgets for the next calendar year; worship and pray and sing; take offerings for mission projects; dedicate mission supply kits and buckets for international distribution; conduct the general business of the annual conference; and appoint clergy and lay professionals to their churches and ministry assignments for the ensuing fiscal year.

For most annual conferences, in the year before General Conference, persons are nominated and elected as members representing the conference to General and Jurisdictional Conferences. In 2015, nearly 2,000 lay and clergy members of The Holston Conference, meeting at Lake Junaluska, NC June 7-11, will elect 6 lay and 6 clergy members to attend General Conference in Portland, Oregon in May 2016 and a few additional lay and clergy members to attend the Southeastern Jurisdictional Conference at Lake Junaluska in July 2016. The balloting usually takes a while, so an extra day has been added to allow for the election process. All qualified clergy are eligible for election. The names of the lay nominees can be seen at the Holston Conference 2015 Annual Conference website, if you are interested in knowing who they are.

What can we do here at JUMC? We can pray, put together our school supplies for Liberia, and contribute generously to the conference missions offering.

## **Vacation Bible School —June 22-25, 2015**

“Bible Blast to the Past” will be the theme for this year’s program. Kids will get to know what God’s love is, explore His everlasting love and serve God by loving others. We will have stories at the “Truthful Tent” about Moses, Rahab, David and Goliath, and lots more. We will have super crafts and science activities, too! Kids will learn songs, visit the “Backtrack Bazaar” for snacks and Bible verses and check out “Discovery Ruins” for crafts and science.

“Past Ports,” complete with pictures, will be stamped for each daily theme. Blast to the Past Bible pals will be given out as reminders of each lesson. Families will be given music CD’s several weeks prior to VBS so kids can become familiar with the songs. We will be working on the songs during Children’s Church and Sunday school, as well.

It’s going to be a fun-filled week, starting on Monday, June 22, going through Thursday, June 25. Watch your bulletin for times and more details on the program. Meals will be provided each night. Mark your calendars so you don’t miss a minute!

2015 Annual Conference Mission Offering — Project #826 - Holston Conference: Children in Poverty

Please generously support the 2015 Project for helping children within Holston's borders. JUMC's May Mission challenge is HUGE...\$10 per person/average attendance...\$2,300.

Write "*#826 Project*" on the envelope memo line and drop it in the offering plate. Bishop Taylor challenges us: "Let's bring it home, Holston. We do not have to look to Africa to find situations of poverty and great need."

The second challenge from Bishop Taylor: commit ourselves to 10 hours of service on behalf of *Children and Poverty* in our own community. We will have the opportunity to apply for grant money to help JUMC promote
