Missions Emphasis: Our mission emphasis for February is Camp Scholarship to Buffalo Mountain Camp for children within our congregation. Buffalo Mountain Camp and Retreat Center is an outreach of the Holston Conference of the United Methodist Church whose mission is to offer Christ's love to all people by providing opportunities for Christian education and fellowship, encouraging spiritual birth, growth and renewal, sharing the wonders of God's creation, providing Christ-like hospitality in a place of beauty and healing, and developing and nurturing Christian leaders. Many children in our congregation do not have the financial means to afford camp for an entire week. These funds will assist parents in paying for the cost for their child/children to go to camp. Camp provides these young people with many opportunities to experience the love and nature of God through interactions with other campers and the beauty of God's creation. In fact, many children experience their first faith commitments at camp. As a Church we have the opportunity to provide assistance to these young people in a real and tangible way by give monetarily during the month of February. Monies to individual children will be allocated based on the total amount received. **Please remember to mark checks as Camp Scholarships to differentiate between monies that go directly to Buffalo Mountain Camp.**

Prayer Requests: ~ Prayers are important because they change circumstances and situations. Also, as the body of Christ we are called to pray for others.
