April Mission: April Mission Emphasis—Backpacks for Liberia
It's time again to prepare for the Hands-On Appalachian Conference Mission Project—backpacks for our United Methodist schools in Liberia. Most of you have learned over the years how much these children need our support to get an education in a country with insufficient resources to provide it for them. We have long supported the J.J. Roberts school in Monrovia. Can you help supply a backpack for the children there? The Mission/Outreach Committee has purchased supplies for 50 bags on faith. working with a deadline for turning them in on May 4th—a month ahead of the usual date. We can do this, including shipping, for around \$870. Please bless these children with what they need to learn. Our founder, John Wesley, told us to remember that the world is our parish.
