**April Mission: April Mission Emphasis—Backpacks for Liberia**

It’s time again to prepare for the Hands-On Appalachian Conference Mission Project—backpacks for our United Methodist schools in Liberia. Most of you have learned over the years how much these children need our support to get an education in a country with insufficient resources to provide it for them. We have long supported the J.J. Roberts school in Monrovia. Can you help supply a backpack for the children there? The Mission/Outreach Committee has purchased supplies for 50 bags on faith, working with a deadline for turning them in on May 4th —a month ahead of the usual date. We can do this, including shipping, for around \$870. Please bless these children with what they need to learn. Our founder, John Wesley, told us to remember that the world is our parish.

Our congregation offers a limited amount of financial assistance for utilities and other needs based on giving through our communion offerings and other sources. Please check with the church office for current availability. Our pastor is available for a number of pastoral topics such as Assurance, Salvation, Temptation, Baptism, church membership, funeral service pre-planning, Spiritual disciplines, wedding planning, and questions regarding United Methodist beliefs. Feel free to schedule appointments with the church office. We have a number of sources for referrals in clinical counseling areas of Financial management, Grief Counseling, Emotional, Alcohol and drug dependency, Estate planning, and Family counseling. Contact us in the church office for referrals in your geographical area. If you are looking for a small group opportunity, we have several established groups with open doors. However, we are always looking to start new groups. If interested, let us know.
